

Mary Berkeley-Agyepong

Acting Head Teacher

Term: 06 April 2018 -

Graham Cluer

Co-opted Governor and Vice Chair

Term: 26 March 2018 - 25 March 2022

I have been a governor in one form or another for 45 years. I have served as a governor in three secondary schools and 7 other primary schools. I am currently Chair of Governors of the Federation of Heavers Farm and Selsdon Primary Schools. I was appointed as a governor of WNIS in March 2018.

Before I retired I was a secondary school teacher in Croydon teaching science to GCSE and A level and was head of faculty of science and technology.

For 8 years I sat on the national executive of one of the major teacher unions. I have served on Croydon Council's Education Sub Committee and the Scrutiny Committee for Education. Also I sat on the Borough's exclusion appeals' committee, admission appeals' committee and Schools' Forum. I am married with two grown up children and three grandchildren. I am a licensed radio amateur and my hobbies include computing, travel, photography and astronomy.

Kenny Fraser

Co-opted Governor

Term: 11 December 2017 - 10 December 2021

I have been a school governor since 2017 & joined Winterbourne Nursery & Infants School in December 2017 as a co-opted Governor.

Professionally, I lead & manage an education recruitment consultancy that specialises in placing senior leaders, such as Head Teachers, school improvement partners to schools nationally & internationally.

I believe my background, both personally & professionally can be a key asset to the challenges any school face & in particular the challenges we will face at our school.

Des Ogg

Associate Member

Term: 19 April 2018 - 18 April 2022

I retired in 2003. Before my retirement I was Director of Strategic and Business Planning for a multinational oil and gas company in UK, Europe and Africa. My duties also included manager of UK - ICT.

After retirement I became involved with education and became a school governor also in 2003. I worked as a governor with several schools as chair, vice chair, and finance governor over time.

I became a member of the Croydon Schools Forum in 2004 and retired this year. While a member of the Schools Forum I served time on all the work groups and became vice chair.

I feel with my business experience combined with my involvement with Croydon Schools Forum and service as a governor with several schools will be beneficial to Winterbourne.

Emmanuel Peprah

Parent Governor

Term: 30 March 2017 - 29 March 2021

Patricia Salami

Co-opted Governor and Chair of Governors

Term: 26 March 2018 - 25 March 2022

I am a local authority appointed governor and I am proud to be the Chair here at Winterbourne Nursery and Infant School. I have been a governor in Croydon since 2006. I started as a parent governor, then I became Vice Chair and finally Chair of Governors at Heavers Farm Primary for many years before it became a Federation. I then became Chair of the Interim Executive Board (IEB) at Winterbourne Boys School. After successfully transferring the school to an Academy, I was involved in working with other governors to encourage them to work with IEBs. I am currently the Chair at Thornton Heath Nursery School, although my term of offices ends in July 2018.

I have five children, with four of school age, I am interested in the education system and working to make it the best it can be, ensuring that opportunities are available now and for the next generation.

I have well over 20 years public sector experience of managing complex social regeneration projects and programmes, with a particular specialism of enabling failing and or challenging programmes to turn around and get back on track. It is this knowledge, skills and experience that I bring to the board. I look forward to working with you all to ensure that our children have the best that the education system has to offer.

Ekta Sareen

LA Appointed Governor

Term: 26 March 2017 - 25 March 2021

I have been a school governor since March 2018 - this is my first appointment here at Winterbourne Nursery and Infant School. I am an economist and a part qualified accountant currently working as a pricing and insight manager. I have experience of budget and strategy setting as well as policy development, all of which are skills that transfer well to a school governing board. I am a resident of Croydon and I am happy to be supporting Winterbourne Nursery and Infant School to be the best school it can be for all of the young children here.

Michael Swadling

Co-opted Governor and Vice Chair

Term: 26 March 2018 - 25 March 2022

I have been a School Governor since 2006, and at Winterbourne Nursery and Infants since March 2018. During this time I have been Chair at St Giles Special School when we received an Outstanding Ofsted report and appointed two Head Teachers at the school. I am currently Vice Chair at St Giles. I was Vice Chair of the South Norwood Primary Interim Executive Body a special type of governing body appointed when the school is in difficulties.

I am a self-employed Project Manager with a background in Banking and IT. Whilst it should be somewhat different from education, from a governance perspective working with budgets, staffing, and ensuring the right frameworks are in place it is extremely similar. School Governors are drawn from a range of backgrounds, and not being part of the education sector, can be an advantage to look at challenges and opportunities facing the school in fresh way.

Jawaid Syed

Parent Governor

Term: 21 February 2016 - 20 February 2020
