

Important messages

Please find time to read with your child and make a comment in the record book and return **both books** so that it can be changed.

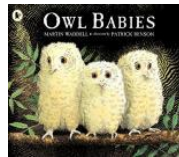

Lost books will have to be replaced by you.

Thank you to all the families that donated items for the harvest assembly. It is so kind and many families will benefit from your gifts.

Well done to all the children who have settle into their nursery classes and are getting to know the teachers, the routines and learning how to do more things by themselves! We have enjoyed learning about families through different activities and learning the Owl babies story.

Making Handprints with our families was fun and there was lots of talk about size, shape and how the paint felt ... some drew around their hands and did collage instead!

Some children decorated some amazing hearts for their families! We talked about what our families would like and what they might say about them.

**We have song time every Monday:
Squirrels and Hedgehogs at 11:15am
Foxes and Badgers at 3:00 pm
Please come along!**
