

# Reception Newsletter

Friday 12<sup>th</sup> October 2018

This will be our last week on Owl Babies and we will be reviewing what we have learnt about owls. Did you know ...?

**There are around 200 different owl species.**

**Owls are active at night (nocturnal).**

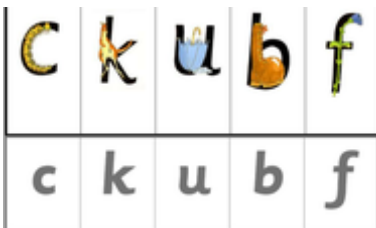

**A group of owls is called a parliament.**

**Most owls hunt insects, small mammals and other birds.**

**Some owl species hunt fish.**

## MATHS

In maths next week we will continue to learn about shapes and patterns. Why don't you see if your child can make a picture using just 2d shapes like this one.

Phonics: these are the letters that we will be introducing next week. Please practise them with your child at home.

## Whole School Attendance
