

Getting ready for school or nursery

There is a lot to think about when your child starts school or nursery. Here at PA1 children's centres we are on hand to give you advice and tips to make sure your child and yourself are ready for their first big day.

We will be holding workshops to help you get both ready, please see details below and feel free to contact any of our centres for further information.

Please note these workshops will be for children aged between 2-5.

Thursday 27th December

Winterbourne children's centre CR7 7QT

Toilet training workshop 10am-12pm

We have worked in partnership with local nurseries to develop a workshop aimed to offer guidance, advice and support around toilet training.

There will be strategies you can take home to try and our staff will be on hand to answer any questions, all while your child plays.

Friday 28th December

Winterbourne children's centre CR7 7QT

Routines workshop 10am-12pm

As parents/carers you may have already started a routine that works for you at home but it is great to start to think about a routine that will work around your child's nursery/school day.

We have spoken to local nurseries and schools to understand the typical routine within a child's school day and can offer advice and support on how to continue this at home.

There will be fun activities for your child at this workshop and staff available to offer strategies, advice and support

Monday 31st December

Winterbourne children's centre CR7 7QT

School and nursery application clinic 10am-2pm

Was your child born between **1 September 2014** and **31 August 2015**? You will need to complete an online application for them to start school in September 2019. The deadline for this application is **January 15th 2019**.

We will be offering an application clinic where we can support you to complete your child's school application on our computers. We can also offer support on 2 year funding applications and provide advice on finding the right nursery for your child.

Crèche facilities will be available for children under 5 (this may be subject to change on the day).
