Maths

In maths we will be looking at numbers and number recognition. We will be checking to see what numbers the children recognise.

Please encourage your child to find numbers in the environment as they are everywhere. E.g. door numbers, numbers on number plates, price tags, numbers on buses etc.

Literacy

Next week we will continue with learning the story map for the Gingerbread man.

Our main focus will be for children to draw a picture of a character from the story and label it or write about it. You can talk to your child about which character they like the best and why?

Please ensure your child has their reading book and reading record in their book bag every day.

Children chosen at random to read once a week.

Our gratitude

We thank you all for all your support so far! Please continue to support your child with their reading, phonics work and maths at home.
