

# Year 2 Newsletter

Friday 11<sup>th</sup> January 2019

## English Focus

Our focus for English this half term is London and its famous land marks. Last week we had a wow day to celebrate our City of London. We enjoyed the experience of exploring London which led to writing a recount of their experience. Next week our focus will be to make predictions about a character, to describe a character and a setting and write in role.

## Punctuality

Our year 2 door closes at 9.00 am. Please ensure your child is in their respective class before the registration

## Important messages

Nairobi Class had the best attendance with 97.1%

## Reading

Please read with your child daily. The questions that are listed in the contact book are to help you when you discuss the text with your child.

## Spellings Test

Please encourage your child to learn the 10 spellings. It is important that the learnt words are used in their independent writing accurately.

## Maths Focus

Our Maths focus for next week is multiplication and division. Please encourage your child to count using repeated addition and revise their 2,4, 5 and 10 times tables.

## Science Focus

This half term our Science focus will be to learn about animals including humans. Next week we will be finding out about the basic needs of animals including humans for survival.

## Homework

We are sending English and Maths homework to be completed at home. Please assist your child with the tests – one test per week. Once your child has completed the work you will be marking the work with your child. Please make sure you discuss the mistakes and praise the success. Answers are at the back of each booklet. It is essential that you return both booklets by Wednesday.

*Thank you!*
