Friday 15th March

Remember to bring your PE kit!

Thank you for supporting our science week. The children had a wonderful time in the 'science lab' exploring and making discoveries.

Literacy –
Imagine that the bridge got broken- what would the billy goats have to do?
Remember it is so important that the children think of their own sentence before they start writing.

Please ensure you write your child's name on their PE kit and school uniform.

Stay and read
We will have 20 minutes from 8:50 to 9:10 every **Friday morning** for parents and carers to stay and read with their children in the class.

Well done to all the children who received a certificate. Keep up the great work!
