

Year 2 Newsletter

Friday 22nd March 2019

DAILY BASIS PRACTICE IS NEEDED

It is important to help our children with their reading and understanding and orally rehearsing their answers/ responses.

After reading with your child daily please make sure you have a discussion on what they have read. This helps them to consolidate their understanding.

Please help your child to learn their spellings and encourage them to use them in their independent writing.

Practice mental calculations and written methods on a regular basis with addition, subtraction, multiplication and division.

English Focus

We are enjoying the Roald Dahl's Charlie and the Chocolate Factory.

Teachers and children together share and enjoy the teaching and learning experience, exploring different layers of the text.

Next week we focus our work from chapter 15. Our writing focus will be to describe a setting. Please discuss with your child the following.

What do you hear?

What do you see?

What do you smell?

What do you taste?

How do you feel?

We celebrate always

Our year 2 children worked very hard this week through a series of tests. We are proud of all our children for their effort and achievement. Well done!

Maths Focus

For Maths next week we are still on the topic, 2d and 3d shapes. The language changes when you describe 3d shapes.

Instead of the sides and corners we used to describe 2d shapes, we will be using face/s and vertex/vertices when describing the 3d faces.

Parents' contact

It's really important that you have a regular dialogue with your class teacher about your child's progress. Please make sure you write a comment on the parent contact book on a daily basis.

ATTENDANCE w/e 15/03/19

Whole School	94.2%
Kingston	100%
London	98.4%
Nairobi	96.7%
Paris	93%
Sydney	96.1%

Achievement Certificates

Kingston	Emily
London	Shery
Nairobi	Laurie
Paris	Bareera
Sydney	Isabela

Attendance

Kingston Class had the best attendance with **100%**
