WALT: Express feelings and ideas about our trip to the Science Museum

Yesterday Year 1 went on a coach to the
Science Museum in London!

Yeah! We are
finally here!

We walked around the museum and looked at some of the amazing
galleries! We found out lots of information about
living and working in space.

We found out how
astronauts make
their water clean.

We went to '*Destination
Space*' and helped to
make an astronaut suit!

Well done. You can express
feelings and ideas.

Now can you tell a friend about
your favourite part of the trip?
