## Parent participation

It is really important to read with your child and discuss meanings whilst orally rehearsing their answers in complete sentences. Make a list of adjectives - describing a noun and adverbs - describing a verb from the text.

Please continue to help your child to learn their spellings and encourage them to use the words in their independent writing.

Practice mental calculations and written methods on a regular basis with addition, subtraction, multiplication and division.

We will set a mini task for them to do every day based on their current learning. Thank you for your support on this so far. Please continue to be engaged in your child's continuous progress.

## English Focus

Next week in literacy we will be writing a diary entry and using past tense based on what happens in Lila And The Secret of Rain story.

## Team Work

**It's really important that you have a regular dialogue with your class teacher about your child's progress.**

**We are proud to say your children are working hard at school and making good progress. We appreciate your continuous support in our endeavour.**

**It is very important that they go to bed early and they have a good sleep.**

**Please ensure your child has their breakfast and they bring a bottle of water in every day.**

## Maths Focus

**For our Maths next week, we will be teaching 'money'. This will include recognition of coins, making totals and giving change. Please do practical tasks with your child when and how you use money in practical situations in our daily life. This will help your child to approach this topic confidently. In addition to that, please practice times tables and mental maths using all 4 operations.**

## Long weekend

Monday is a bank holiday. The school will reopen on Tuesday

## SATS
