

10th July 2019

Dear Parents and Carers,

THANK YOU!

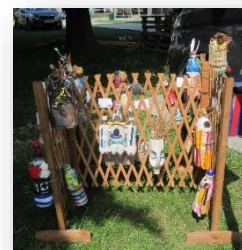

A big thank you to everyone who collected plastic bottles for the sculpture at this year's **Hampton Court Garden Festival**. The work called 'On the Brink' was featured on the BBC1 coverage of the flower show and highlighted the need to limit the use of single use plastics. The enormous fish composed of different kinds of plastic emerging from an ocean of plants was awarded a bronze award in the global impact section of the festival.

The charity 'plastic oceans' who asked us to help them with the collecting were overwhelmed by the 15 binbags full of bottles that we were able to give them.

WELL DONE!

Congratulations to the Year 2 children who made a birdhouse exhibit for the school's competition 'It's a wild world' also featured at Hampton Court. Schools were asked to produce a wildlife habitat. Our work was briefly shown on the BBC2 coverage on Saturday night. Well done to the children for all their enthusiasm and hard work.

Kind Regards

Miss Howe
