Next week the children are having Art Week and we will be studying the work of Kandinski and Mondrian. Their work is based on circles and squares so we will support this work in our maths sessions by revising patterns and 2d shapes.

All P.E kits are coming home for the holidays and we will be collecting in reading books.

It will be hot so remember to send your child to school in less layers of clothing, with a cap and plain water. Apply some sun cream **before** they come to school.
